Dear Geoff:

Happy New Year! I'm writing to ask if you'd consider doing a review for Programmatic Perspectives (new, refereed journal of CPTSC, debuting this year, <http://cptsc.org/pp/index.html>).

The book I need reviewed is by Dorreen Starke-Myerring and Melanie Wilson, an edited collection: Designing Globally Networked Learning Environments: Visionary Partnerships, Policies, and Pedagogies.

If you're interested, I'll send details. And the book.

Best regards,

Kathy

Thanks so much! I'll get the book to you very soon. Your tenure should be a slam-dunk - I'd be optimistic if I heard you were going up for full! Because of the online stuff, I think everyone knows who you are, not just the people who read your pubs.

More soon,

Kathy

That's a nice idea; I'd be very pleased to review the book for Programmatic Perspectives. If you can have a copy sent to:

I'll begin reading it right away.

Hope you're well; everything here seems to be going very well, as I prepare my tenure case for this fall.

Best,
